The following passages are from Leviticus 19 which we will be studying in depth through this course in addition to other sources. Please read them and identify any words you did not previously know in Hebrew. We will be discussing the Hebrew with a focus on roots. Also please write down any examples of "holiness" in your day to day lives that you can think of using as many Hebrew words as you can. Your examples can but need not be limited to your Jewish lives.
